Dear Mr Mehmet,

We are writing to comment on 2017/1267, the stationing of a mobile home at 2 Halliloo Cottages, Halliloo Valley Road, Woldingham, CR3 7HA. The property is located in the Metropolitan Green Belt.

We note that the proposed siting is a distance away from the main residence and so we are concerned that at some point in the future, the proposed mobile home evolves into a separate dwelling in the Green Belt.

Therefore, we ask that should this be approved, two conditions be attached:

- 1) the mobile home should remain mobile at all times and that no alterations be made that inhibit or prevent movement of the mobile home,
- 2) the mobile home to remain ancillary to the main dwelling and not be used at any time as an independent dwelling.

Thank you for the opportunity to comment.

Yours Sincerely,

David Shelley
